

NHWACT T&O'C NEWSLETTER

Summer, 2024-2025

Turner & O'Connor ACT

Welcome to the summer edition of the newsletter for our re-launched Neighbourhood Watch (NHW) group for Turner & O'Connor (ACT).

In recent months there has been considerable crimes reported:

- Nov 2024 saw a large increase of crimes (22) reported in TURNER with 4 burglaries, and a significant amount of property damage.
- Dec 2024 saw 13 crimes reported in TURNER with 3 burglaries, 2 motor vehicle thefts, and 2 number plate thefts.

Current Issues:

- There is continued repeated 'handle checking' occurring in the area. ie persons checking door and vehicle handles for unlocked entry to steal items. Please ensure all doors and vehicles are always locked even if you are home.
- Citizen led checks of hot-spot areas are occurring in the Turner area to check for suspicious activity and report to authorities. If you would like to check if a car/number plate is involved, or if you would like to help with checks, please reply to email below:
