Summer, 2025-2026

## Turner & O'Connor ACT

Welcome to the summer edition of the newsletter for our Neighbourhood Watch (NHW) group for Turner & O'Connor (ACT).

In recent months there has been a steady drop in crimes reported:

- Sep 2025 saw a large increase of crimes (22) reported in TURNER with 3 burglaries, and a significant amount of property damage.
- This lowered to 7 crimes reported in Turner in November with no burglaries reported.

## Current Issues:

- There is continued repeated 'handle checking' occurring in the area. ie persons checking door and vehicle handles for unlocked entry to steal items. Please ensure all doors and vehicles are always locked even if you are home.
- A large number of vehicle number plates are being stolen. Considering securing your number plate with anti-theft screws from ACT Policing or your local retailer.
